EXCHANGING LINES

MARIA HANL - CECILIA HULTMAN | BASEMENT VIENNA | 2020/2021

The two artists Cecilia Hultman (SWE) and Maria Hanl (A) met in Paris at a residency 2018 and continued a dialogue by distance between Stockholm and Vienna.

In April 2020 they were invited to do a collabortion at *Basement Vienna* under the title *Exchanging Lines*. But as a consequence of the Corona-virus the exhibition got postponed, and as a sponaneous alternative this book came to life. Welcome to a playful gesture with and without lines!
